Student Name Change Information

This document outlines the process for student name changes for the University of Illinois College of Medicine as of 9/14/2015. Please complete the following steps once you have legally changed your name:

1. Change your name with the University. This will update your name for university, college, and financial aid purposes. Please follow the instructions at https://registrar.uic.edu/student_records/name_change.html
2. Contact your College of Medicine Campus Registrar and request your name change to be updated on your AAMC record. Your Campus Registrar cannot complete this request until your name change is processed by the University (step 1).
3. Update your name with NBME. Please follow the instructions at: https://apps.nbme.org/ciw2/prod/doc/change_name.htm
4. For those who have submitted residency applications:
 - a. If you have an ERAS account, update your name with ERAS. Submit your request by email to myeras@aamc.org. Be sure to include your AAMC ID, your old name, and the name change.
 - b. You will need to directly contact the agency for which you applied to the match if your name has changed after you applied. Please see below for contact information:
 - a. NRMP - <http://www.nrmp.org/>
 - b. San Francisco - <https://www.sfmatch.org/>
 - c. Urology - <http://www.urologymatch.com/>

Note: Name changes for diplomas need to be by the following deadline in order for the name change to appear on your diploma.

Spring Graduate – March 15th Summer Graduate – May 15th Fall – September 15th

If changes are after the deadline, you will need to request a Diploma name change with OAR, which may be subject to a fee. For more information, please visit:
