

Student Stipends Policy

1. Students registered with the University of Illinois College of Medicine shall not receive monetary remuneration or fringe benefits (meals, laundry, uniforms, supplies, lodging, parking, etc.) for patient services that result from their participation in the educational programs of hospitals associated with the University of Illinois College of Medicine.
2. Associated institutions cannot impose fees or other charges upon students for use of the facilities of the institution for educational purposes. Affiliation agreements define the terms of the financial reimbursement to these institutions by the College of Medicine.
3. Students shall not be reimbursed for travel or other expenses incurred in association with on-going curricular programs of a school or the College.
4. Students of the College may receive stipends for selected programs. Payment of such stipends must be approved by the Dean of the School concerned and the Committee on Educational Policy. Policy shall not exceed those paid students in the Graduate College.
