Statement of interest questions: Please provide responses to the following questions.

1. What are your career goals? Please describe how the MD/MS-CTS joint degree will help you meet your occupational objectives and advance your career.
2. What personal characteristics will support your success in the MD/MS-CTS joint degree program? Please describe the experiences, course work, and/or skills that will allow you to learn effectively.
3. How will you plan to meet medical school milestones in the context of the MD/MS-CTS joint degree program participation? For example, please describe your plans for completing USMLE step 2.
4. Describe your interest in clinical and translational research. Provide any prior or ongoing research experience, and explain how this might interface with the MD/MS-CTS joint degree program.

Other application materials: Please provide the following supplementary items.

1. Curriculum vitae (CV);
2. Medical school transcript (please release via registrar's office);
3. USMLE Step 1 score;
4. Please indicate department that will sponsor your MS research, and provide one (1) letter of support from your prospective MS faculty mentor (or department).

MD/MS-CTS application submission instructions and timeline:

- Friday, January 22, 2021: Deadline to submit MD/MS-CTS application package – application materials may be submitted via e-mail directly to Dr. Ron Gaba (rgaba@uic.edu), Director of Medical Student Research and co-Director, MS in Clinical and Translational Science.
- Early to mid-February, 2021: Applicants notified of review decisions.
