

University of Illinois College of Medicine College
Committee on Continuing Medical Education
Annual report 2021-2022

University of Illinois College of Medicine received 4 years reaccreditation from the Accreditation Council for Continuing Medical Education in March, 2022.

The 2021-22 year continued to feel the effects of the Covid pandemic. There continued to be many online programs, however, many programs did return to live programming. We continue to host online activities on the website which can be accessed at <https://cemedicine.uic.edu>.

During the course of the 2021-2022 year, the Chicago, Peoria and Urbana campuses had CME certified for 83 activities for a total of 1958.50 AMA PRA Category 1 credit hours of instruction. Of these, 48 were RSS activities and 35 were episodic programs.
