

# **Goals for Today**

- Understand the basic expectations of your track.
- Learn what you can do right now to prepare for your promotion.
- Identify the resources available to assist you in the process.

# **Expectations**

### **CT Track**

Assistant / Associate / Professor (CT)

This tenure track is for clinical scientists employed at ≥ 50% FTE

### **Faculty must demonstrate:**

Excellence in teaching

Development of a high-quality clinical practice

Scholarly activity resulting in substantial contributions in the field

Development and/or application of **creative advances in medical** care

Service/leadership on local and regional committees

Peer recognition at regional or national level for Assoc Prof Peer recognition at national level for Professor

External funding encouraged, but not required

#### **EXCELLENCE IN TEACHING**

- Teaching quality must be well documented, from multiple types / sources of evaluation over time.
  - Discuss with your department head the mechanisms for collecting trainee <u>and</u> peer evaluations of all aspects of your educational activities [classroom/lecture, small group, clinical, etc.]
- Keep track of your trainees and their achievements
  - Names, dates of training, your specific role, notable achievements or honors
- Keep track of your teaching and education related activities
  - Annual Report of Faculty Teaching Effort form

#### 1.a. Annual Report of Faculty Teaching Effort at UIC-AYxx-xx

Name:		Department:		

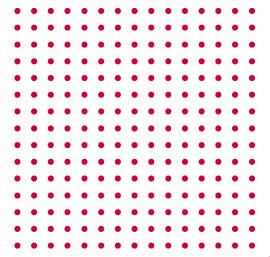

Course and program planning, organization and coordination		DESCRIPTION OF TEACHING ACTIVITIES (Provide additional detail in the sections cited in parentheses.)	Scheduled Contact Hours per Year	Preparation Hours per Year	Total Hours per Year

Please note: One report for each of the three years prior to review should be provided. Hours attributed to teaching should correspond to the % effort engaged in teaching, and be reported separately from clinical and research time.

## "Annual Report of Faculty **Teaching Effort" form**

from the College of Medicine's p&t forms

(required for all tracks)

#### HIGH QUALITY CLINICAL PRACTICE

- Keep track of your contributions to university-related patient care services so that you will be prepared to present a rich description in narrative form.
  - Relevant clinical activities and service areas
  - Clinical / Surgical time allocation
  - Patient volume
  - Development of referral base (local and beyond)
  - Development of innovative patient care activities, techniques and breakthroughs
  - Regional or national recognition for clinical excellence (e.g., listing in *Best Doctors*)
- Keep list of clinical collaborators and/or patients who may provide letters of support.

#### RECORD OF SCHOLARLY ACTIVITY

- Keep your CV up-to-date and consider organizing scholarly activity by areas of P&T Dossier.
  - Invited Colloquia, Symposia & Presentations
  - Other Invited Presentations (Lectures & Workshops)
  - Publications or Other Creative Works
    - Books/Monographs and/or Chapters in Books
    - Edited volumes
    - Refereed journal articles
    - Refereed conference abstracts / proceedings
    - Other articles: Bulletins, Technical Reports, Book Reviews
    - Creative works
    - Patents
  - Papers/Poster Sessions Presented at Professional Meetings
  - Other Scientific Contributions

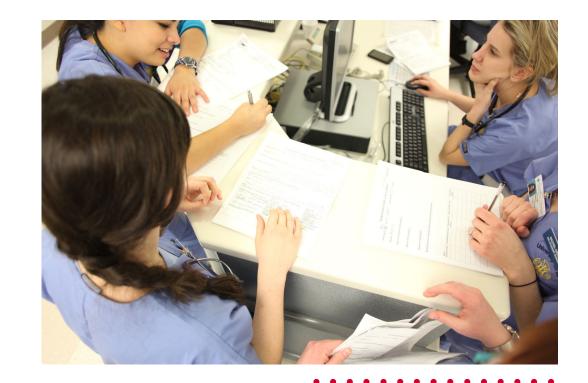

- Focus on high-impact peer-reviewed articles.
- Number and quality of first or senior author publications since joining UIC will be scrutinized.
  - Underline senior author for all publications.
- Reviewers will look for independence from your mentors / Head

#### SERVICE / LEADERSHIP

- Keep your CV up-to-date and consider organizing service activity by areas of P&T Dossier.
  - Administrative Service
    - Major administrative titles
  - Service to Unit/College
    - Committee assignments; special contributions to academic unit, representing Unit or College to outside agencies.
  - Service to University
    - Interdepartmental service; member of University governing body or committee; representative of University to outside agencies
  - Service to Students
    - Activities related to student groups/organizations, special counseling services and student-run clinics, etc.
  - Service to Profession/Discipline
    - Professional activities including office in professional organizations, editorship, grant review activity
  - Public Service

 OK to include explanation of significance and/or your role

### **Personal Statements**

### In General...

- Personal statements in the P&T Dossier are really weighed heavily by Committee and are a great way for you to sell yourself and your accomplishments.
- Use clear, simple language in terms someone outside your field can understand. Ensure that your statement explains what you do, why it matters, why you care and what excites you!
- Provide details on current efforts and accomplishments as well as future plans.
- Personal statements are limited to one page, no smaller than
   10pt font

# AREAS OF FOCUS FOR PERSONAL STATEMENTS

- Teaching Goals, Approaches and Accomplishments
- Current and Planned Research,
   Creative or Scholarly Work
- Current and Planned Service Activities
- Efforts to Promote DEI
- Interdisciplinary Work (optional)

### Resources

#### Unit Resources

- Head, Faculty/Staff support for P&T process
- Senior faculty in the department or faculty who have recently gone through promotion process

### COM Faculty Affairs Website

- Website has COM criteria, departmental norms (where available), COM/University policies and procedures, and promotion forms.
- COM Office of Faculty Affairs staff
  - Pauline Maki, PhD Associate Dean for FA (pmaki1@uic.edu)
  - Gillian Coombs, Director of FA (gcoombs@uic.edu)
  - Rosa Setterstrom, Associate Director of FA (<u>rosalbaa@uic.edu</u>)
  - Shannon Dowty, Associate Director of FA (<u>sdowty@uic.edu</u>)

### Office of the Vice Provost for Faculty Affairs Website

- P&T Mentoring Workshops
- P&T Guidelines, Forms and Resources
