2024-2025 Residency Interview Travel Cost Budget Adjustment Request

Section A – Student Information (Please print clearly)

Last Name	First Name	M.I.	Email
Street Address	City	State	Zip Code

The COM OSFA allocates \$1,500 in the M4 student budget for residency interview travel costs. Students whose residency interview travel costs exceed the budgeted amount can apply for a **one-time** budget adjustment to help offset travel costs. The budget adjustment will increase the loan amount you can borrow for the year. The amount of the supplement is based on estimated costs incurred within limits for what are considered fair and reasonable rates for residency travel **up to an additional \$1,500**.

IMPORTANT: Any adjustments may be divided equally between the **fall and spring** semesters. Interviewing for residency can be extremely expensive. It is vital that you work to minimize your debt. Please explore all financing options and strategies for reducing costs (such as scheduling interviews to avoid multiple trips to one area, finding a host for trips to avoid hotel costs, etc).

The deadline for applying for this budget adjustment is April 11, 2025.
